

In the Supreme Court of the State of Alaska

A.H. (Mother),

Appellant,

v.

State of Alaska, DHSS, OCS,

Appellees.

Supreme Court No. S-18186

Order Returning Appellant's Brief

Date of Order: **1/6/2022**

Trial Court Case No. **3PA-18-00188CN, 3PA-18-00189CN, 3PA-18-00190CN, 3PA-18-00191CN, 3PA-18-00192CN, 3PA-18-00213CN**

Appellant's brief and excerpt of record, filed on **1/4/2022**, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212.

There are multiple issues with the excerpt of record which warrant rejection.

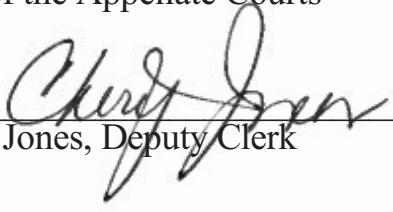

First, the excerpt has no table of contents. **Second**, the documents are not ordered chronologically even without a table of contents. For example, the first document, the mother's objections to the predisposition report (12/4/19), is older than the second document, the GAL's recommendation for the predisposition report (11/19/2019). The third document, the superior court termination order (8/2021) is older than the fourth document, the petition for termination of parental rights (3/19/2020). The mismatched chronology continues throughout the excerpt. **Third**, the excerpt cover page is missing information about the nature of the appeal and the court below, i.e., that the appeal is from the Third Judicial District and Honorable John C. Cagle per App. R. 210 (c) (4).

The original and one copy of the corrected brief, and the corrected excerpt of record, with proof of service, are due on or before **1/18/2022**.

Entered under Appellate Rule 102(f).
